Claire is a sophomore double majoring in Marketing and Management with a minor in political science. Originally from New Jersey, she fell in love with New Orleans on her first visit. Claire is very excited to have the opportunity to give back to the community through Women With A Vision (WWAV). Claire has always been passionate about advancing intersectional feminism. She believes strongly in reproductive justice because she recognizes that access to contraception and family planning is crucial for women to protect their health and capitalize on career opportunities. Claire will be serving as the Graphic Design and Social Media Intern at WWAV. On campus, Claire is also a Resident Advisor to first-year residents in Sharp Hall. In her spare time, Claire loves attending concerts festivals, traveling, and trying the many restaurants in Nola.
